## The Hearts of Noise: THE SPIRIT meets Jean-Michel Jarre

Grand Hotel Hyatt Berlin, April 14, 2016: THE SPIRIT aka Marc Hairapetian meets synthie pop genius Jean-Michel Jarre ("Oxygene", "Equinoxe") again. He talked with the world famous musician about his new album "Electronica Vol. 2 - The Heart of Noise" and his father, the film composer, Maurice Jarre (1924 - 2009, "Lawrence of Arabia", "Doctor Zhivago"), who was a close friend of THE SPIRIT. A wonderful and touching evening! Marc's gift for Jean-Michel was the SPIRIT - EIN LÄCHELN IM STURM (Spirit - A Smile in the Storm) issue 17 from 1993: front cover Oskar Werner, back cover Maurice Jarre! [Read now the exclusive interview](#) with Jean Michel about his cooperation with whistleblower Edward Snowden. Soon the second part about the father-son relationship of the two great Jarre's and JJM's friendship with science fiction writer Arthur C. Clarke ("2001: A Space Odyssey") will follow.
