
Hayastan and "Young Europe" in Berlin: THE SPIRIT meets Armenian President Armen Sarkissian!

Berlin, November 28, 2018: Hayastan in Berlin 2018: THE SPIRIT, aka Marc Spirit Hairapetian, meets Armenian President Armen Sarkissian for an exclusive interview. It was a honour for me to talk with Armen Sarkissian - physicist, computer scientist and politician - about the Turkish genocide of the Armenians, the recognition by the Federal Republic of Germany of the genocide as historical fact and the future of the 'Young Europe'!

He served as Prime Minister of Armenia from 4 November 1996 to 20 March 1997 and before assuming the Presidency on 9 April 2018, was the country's (longest-serving) ambassador in London (from 1998).

One of the co-creators of the Tetris-Wordtris game, he is a fascinating, open minded man!
