

Beirut Calling THE SPIRIT and Felix meet Yasmine Hamdan

Beirut Calling, April 17th, 2013: THE SPIRIT aka Marc Hairapetian and his Siberian Wolf Dog Husky Mix Felix met singer Yasmine Hamdan. She was travelling from Paris to Berlin for giving an interview. Yasmine is presenting her first solo album "Ya Nass" ("Hey People!") which is full of amazing erotic and political songs with Arabic ("Beirut"), RnB ("Deny") and electronic (!) Bollywood elements ("Samar") on stage in two showcases in Germany (tba - Hamburg, June 13th, 2013 and Grüner Salon of Volksbühne, June 15th, 2013). She is also performing in the new vampire film of Jim Jarmush ("Only Lovers Left Alive"). Her credo is: "It is not my decision - it is my desire!"
