
"Ambulance" 2022: THE SPIRIT meets Jake Gyllenhaal & Michael Bay

"AMBULANCE" (German premiere): THE SPIRIT, aka MARC [Spirit Hairapetian](#), meets world star JAKE GYLLENHAAL

It was an honor for me to talk with the wonderful Hollywood actor ("Donnie Darko", "Brokeback Mountain", "Brothers", "Prince of Persia", "Prisoners") about his new action thriller "Ambulance" (directed by MICHAEL BAY, German theatrical release: March 24, 2022). He is such a nice guy! See in the background director legend MICHAEL BAY!
