

**CAN GOD BE A PRICK? THE SPIRIT meets ANNA JULIA ANTONUCCI, NICO HOFMANN & AXEL SCHULZ at the Berlin premiere of "Gott, Du kannst ein Arsch sein"**

Zoo Palast, September 29, 2020: Sold out Berlin film premiere in Corona times with THE GREEN HORNETS, Portugese German actress ANNA JULIA ANTONUCCI ("Jerry Cotton", "Kokowääh", "Alarm für Cobra 11"), & THE SPIRIT, aka MARC [Spirit Hairapetian](#) ("Tatort: Der zweite Mann", "36 Stunden Angst", "Alarm für Cobra 11" sic!). We did a video interview for my cultural magazine SPIRIT - A SMILE IN THE STORM [www.spirit-fanzine.de](http://www.spirit-fanzine.de) & my YouTube Channel THE SPIRIT. For example, I asked her if God can be prick in times of Corona. A touching film based on a true story about a 16 year old German girl suffering from terminal cancer, but still traveling to Paris to celebrate life and love. German cinema start: October 1! As her father, Til Schweiger plays unexpectedly sensitive and better than ever before! See also the photos of our first encounter with my Siberian wolf dog husky Felix at the Hörspielpreis Ohrkanus 2013, if you scroll down further. Thanks for the cinematography by ROB WATERS. THE SPIRIT, aka Marc Sprit Hairapetian, did also a longer video interview with the film producer/director/writer & UFA CEO NICO HOFMANN, who believes in God. He produced also "Gott, Du kannst ein Arsch sein". They also talked about their mutual friend, the actor star GÖTZ GEORGE, who died in 2016 on cancer. They made many films together like "Schulz & Schulz", "Der Sandmann" or "Solo für Klarinette".

Another SCHULZ: It was so nice to meet ex professional box star AXEL SCHULZ. Check out the YouTube Channel THE SPIRIT:
