

Gentlemen Among Themselves: THE SPIRIT meets HANNES JAENICKE

We talked about wolfs, dogs and human beings, natural reserve, the corona pandemic and his acting career. Remember his appearances in "Abwärts" (1984), "Die Sieger" (1994), "Catherine the Great" (1995) and "Retter der Meere: Tödliche Strandung". HANNES and me are both born in Frankfurt am Main, but he is eight years older than me.

The detailed interview was conducted for the culture magazine SPIRIT - A SMILE IN THE STORM www.spirit-fanzine.de and the YouTube Channel THE SPIRIT

on April 15, 2021.

"Im Einsatz für den Wolf" ("In Action for the Wolf"): nature conservationist and actor HANNES JAENICKE will dedicate his multi-award-winning documentary series on Tuesday, May 25, 2021, 10.15 p.m. on ZDF, to the animals that have returned to Germany for 20 years. The film is

available the day before in the ZDFmediathek.
