## MULTICULTURAL SWING: THE SPIRIT MEETS THE SWINGIN' HERMLINS!

Berlin, February 3, 2023;: For our home story with a two-hour interview, I visited the legendary HERMLIN family and Germany's best swing band! Left to right: RACHEL, DAVID, THE SPIRIT, aka MARC HAIRAPETIAN, ANDREJ & JOYCE. Andrej's father was the famous writer STEPHAN HERMLIN lived after the Second World War first in Frankfurt am Main and then caused a sensation in the GDR by not mincing his words. The WOLF-BIERMANN affair began in 1976 in the room where we are in Berlin-Niederschöenhausen. ANDREJ HERMLIN's father wrote a petition against his expatriation, which was signed by twelve people in the living room.
