

"Astronaut": THE SPIRIT meets SHELAGH MCLEOD & LAURA WINTERLING

Exclusive interview: THE SPIRIT, aka MARC [Spirit Hairapetian](#), met the British-based Canadian director SHELAGH MCLEOD at the Berlin premier of her feature film debut "Astronaut" starring RICHARD DREYFUSS. We did an extensive interview for my culture magazine Spirit - A SMILE IN THE STORM www.spirit-fanzine.de and my YouTube Channel THE SPIRIT MEETS www.youtube.com/channel/.../videos on October 16, 2020 at Motel One Berlin-Upper East. SHELAGH is also a wonderful actress and worked with my idol PETER O'TOOLE!

Note: It was a film premiere since the outbreak of the COVID-19 pandemic! We kept our distance as much as possible and still had a lot of fun! Before and after the interview, we naturally wore masks to comply with the hygiene concept.
