
"FRANKENSTEIN'S NIECE - HEIR OF MADNESS": THE SPIRIT meets DÉsirÉE NICK

SUMMER DARKNESS: "Frankenstein's Niece - Heir of Madness": THE SPIRIT, aka Marc Hairapetian, met actress, comedian and dancer DÉsirÉE NICK ("Hängetitten de luxe", "Enfant terrible") at the EUROPA horror series audio play premier of HEIKEDINE KÖRTING's & ANDRÉ MINNINGER's "Frankensteins Nichte - Erbin des Wahnsinns". She is amazing in the title role as mad scientist! After 16 years we did a second extended interview about audio plays, horror, aging and trash de luxe! Thanks to the one and only BERND BEGEMANN, who went for a walk with my Siberian wolf dog husky FELIX during the premiere.
