

Gentlemen Among Themselves: THE SPIRIT meets football legend THOMAS BROICH

With the "best national player that Germany never had", who played for Spielvereinigung Unterhaching, Borussia Mönchengladbach, 1. FC Köln, 1. FC Nürnberg and Brisbane Roar, where he won three championship titles (2011, 2012 & 2014) and was named "Footballer of the Decade in the A-League" (2014), I talked about his career, football romance and football tactics, the upcoming European Championship, films (his favorites are "Forrest Gump" and "A Clockwork Orange") and why he stopped working as Coach for the C1 juniors at Eintracht Frankfurt after just one year. At the European Football Championship (UEFA EURO 2020, June 11, 2021 - July 11, 2021) THOMAS BROICH works as an expert for the German television station Das Erste (ARD).

The detailed interview was conducted for the culture magazine SPIRIT - A SMILE IN THE STORM www.spirit-fanzine.de and the YouTube Channel THE SPIRIT
